### **Introduction to Psychology Assignment 2**

#### **Assignment 2: Personality Profile (30%)**

- Assignment 2 is 2000-word discussion of your personality as measured through the MBTI personality test.
- Download the PDF of the test found in Moodle. Take the test, get your score and its interpretation. (May I ask everyone to keep treat this file confidential)
- Your essay must:
  - Explain the individual components of your personality based on the MBTI profile
  - Explain the integration of these components of your personality as a whole
  - Contain a reflection and discussion of how you got these traits
  - Contain a reflection and analysis of the efficiency and accuracy of this instrument
- Upload Due: 2 July 2022 (Week 8)

#### **Breakdown of Marks:**

Explanation of the individual components of your personality based on the MBTI profile	<b>20%</b>
Explanation of the integration of the components of your personality as a whole as well as a reflection and discussion of how you got these traits	<b>35%</b>
Reflection and analysis of the efficiency and accuracy of the instrument	<b>35%</b>
Language/Organization/Formatting	<b>10%</b>
